INSURANCE WAIVER

Thank you for choosing Profiles Oral and Facial Surgery Center to provide for your oral and maxillofacial needs. We will gladly assist in the filing of your insurance claims so that you might receive the full benefit available from your insurance company. For out of network insurances, we can file as a courtesy to you for your reimbursement.

ESTIMATION OF BENEFITS:

We cannot be held responsible for knowing all the peculiarities (ie: specifics in coverage or changes in coverage) of all the insurance companies that we deal with. It is your responsibility as the insured to become familiar with your own policy. If there is a peculiarity about your insurance company of which you do not inform us, and it results in an underpayment of benefits, we will not be held responsible and any balance will fall to the patient's responsibility. Any balance accrued will be due thirty days from the time the claim has processed in our office.

CHANGE OF INSURANCE:

If at any point during treatment, your insurance changes for any reason, it is your responsibility to let the office know of this change. If your insurance changes from a plan that we take initially to a plan that we no longer take, therefore causing your treatment to be considered "non-covered" or "out of network", any balance will fall to the patient's responsibility. Any balance accrued will be due thirty days from the time the claim has processed in our office.

MISCELLANEOUS:

In the case of divorced parents, the parent that brings in the patient and signs the treatment plan will be the responsible party.

I fully understand the conditions of the Insurance Agreement and agree to abide by the limitations set forth. I also understand that I have primary duty to pay Profiles Oral and Facial Surgery Center and am responsible for the entire contract fee if insurance fails to pay. I hereby authorize payment to Profiles Oral and Facial Surgery Center. __________ **(initials)**

We look forward to serving your oral surgery needs and we sincerely hope you decide to move forward with our practice!
